COOK PRO

reddot winner 2020

Spectacular cooking. Endless possibilities. Zero complications.

Mychef Cook Pro is a professional combi oven that cooks smoothly and with delicious results.

Its ease of use, varied cooking modes and robust construction make it ideal for **restaurants, catering companies, hotels and institucional services** that require a versatile, high-performance oven.

In addition, with its patented MultiSteam system you get the densest and fastest steam in record time. And with its MyCare self-cleaning system technology you save time and know that your equipment will always be clean and ready.

Cookings without limits and without complications. With Mychef Cook Pro, everything is possible.

Restaurants

Hotels

Catering
companies

Institucional
food services

Innovative technology to serve your dishes

Unbeatable browning and crunchy textures

The **DryOut Plus** System actively pulls moisture out of the cooking chamber using its unique low-pressure technology to achieve a crisp texture and golden appearance.

Three cooking modes: convection, mixed and steam

Automatic pre-heating Ultra-fast pre-heating

PATENTED The most efficient automatic cleaning system included

MyChef Cook Pro includes the smart MyCare autocleaning system, which automatically eliminates any kind of dirt, without supervision, and with the most economical cost-per-wash ration available on the market.

PATENTED

Steam in record time

MultiSteam is the revolutionary steam-generation system, the fastest on the market. Enjoy cooking with dense steam from 30 °C and in just 45 seconds, all without any maintenance costs.

Maintains the succulence of fresh foods

Braise, bake, brown, fry, steam, sous-vide cook, dehydrate, regenerate, smoke...

Ideal design and robustness for high performance

PATENTED

UltraVioletSteam

Absolutely pure, sterilized steam that is pathogen-free even at low temperatures thanks to patented UV technology (optional).

Wherever you want, however you want

Monitor the activity of your Mychef Cook Pro and **adjust its settings from anywhere** with your mobile or tablet. And if inspiration strikes you while you're away, simply create your recipe and send it to your oven, wherever you are.

And because it's **compatible with Google Voice Assist**, you can cook with just your voice. Turn it on. Turn it off. Ask him what temperature it is. Or how long before it's done cooking. All with a simple "OK, Google... And without having to leave what you're dealing with.

works with the
Google Assistant

Reliability that reacts to perfection

- ✓ MyCare self-cleaning system included
- ✓ 5 times faster steam with MultiSteam
- ✓ Browning and crunchy textures thanks to DryOut Plus
